

Thesis and Dissertation Deposit Form in the QU Institutional Repository

The Qatar University Library reserves its right to review any and all theses and dissertations for archival and administrative purposes. A copy of your document is deposited electronically, to be made available in QU's institutional repository, QSpace, immediately or will be delayed for two years from the final approval date of the Office of Graduate Studies. The metadata of your thesis/dissertation, e.g. (Title, author name, keywords, abstract, supervisor name) will normally appear in QSpace after deposit, even if the full text cannot be made available immediately or at all.

To make your full text available immediately, please select immediate worldwide access, and go on to **QSpace Thesis and Dissertation License (Next page)**. Otherwise, if you need to request a delay, please indicate the length of the delay in the **full-text embargo options** Section below, and the reason in the **Reasons for restricting access** Section below.

Immediate Worldwide Access (in case you have selected this option, go to **QSpace Thesis and Dissertation License (Next page)**)

Full text embargo options (Select one option):

Embargo for two years¹ (Select reason(s) 1 and/or 8)

Embargo until Intellectual Property registration is finalized by QU IIP Office² (Select reason 2)

Permanent restriction on access (Select one or more reasons from 3 to 8).

Reasons for restricting access: (You can select more than one reason)

1	Future publication My thesis/dissertation contains material intended for future publication.	
2	Intellectual property (IP) rights My thesis/dissertation includes content that must be protected by registering its intellectual property before it is made available.	
3	Commercial information My work includes sensitive information which is likely to affect an individual's or organization's commercial interests, or intellectual property which may be the target of commercial exploitation (e.g. patent application).	
4	Contractual restrictions Agreements with my sponsor or research partners include constraints on making my thesis/dissertation accessible.	
5	International relations, defense, national security or public safety My thesis contains material whose disclosure could adversely affect international relations, defense, national security, or public safety.	
6	Personal or confidential data My thesis/dissertation includes personal data, information that may affect an individual's interest, or information whose disclosure would constitute an actionable breach of trust and confidence (eg. patient data).	
7	Copyright My thesis/dissertation includes content that is copyrighted by third parties. Under the quotation exception, its use is not allowed and permission to make it available has not been obtained.	
8	Other reason (in case you selected an embargo for two years or permanent restriction on access, and you have an additional reason different to the above-mentioned ones, provide it here): _____	

You have to provide a valid justification for each selected reason in the box below:

The library reserves the right to archive theses and dissertations and provide the appropriate copies per the policies followed at Qatar University.

¹ For students who choose to restrict their thesis / dissertation for two years and want to expand it to another year (before the end of the two years embargo), please send an email to lib.archives@qu.edu.qa

² To protect the intellectual property (IP) rights, submit your disclosure to QU IIP Office, QU.IP@qu.edu.qa
