

QATAR UNIVERSITY COLLEGE OF PHARMACY PARTICIPATES IN “TOGETHER TO GUIDE AND SUPPORT OUR OUTSTANDING YOUTH” EVENT

Doha, Qatar – [Feb 9 & 10, 2025] – Qatar University’s College of Pharmacy proudly participated in the recent “Together to Guide and Support Our Outstanding Youth” event organized by Qatar University; aiming to provide high-achieving students with valuable guidance about various higher education opportunities.

The event, designed to assist excelling students in making informed decisions about their academic futures, offered insight into different colleges, including the College of Pharmacy. Dr. Noran Magdy, along with 2nd and 4th-year pharmacy students, participated in the event to share information on academic programs, career opportunities, and the significance of pursuing a degree in the rapidly growing field of pharmacy.

Throughout the event, the College of Pharmacy received significant interest from students eager to learn more about the diverse career paths within the pharmaceutical industry. With a focus on innovation, research, and healthcare, the College emphasized the vital role pharmacy professionals play in improving community health and well-being.
