

First, make sure you have these 3 things...

Email: You'll get some important emails from your instructor at this address.

Course ID: Ask your instructor for your Course ID!

Access code or credit card: The required access code comes either with your book or by itself at your bookstore. Alternatively, you can buy instant access with a credit card or PayPal account during registration.

Next, get registered!

1. Go to www.myprogramminglab.com.
2. Under Register, select **Student**.
3. Confirm you have the information needed, then select **OK! Register now**.
4. Next, check whether you have an **Access Code**. If you don't have an access code, select your textbook and whether you want to purchase an eText.
5. Read and accept the License Agreement. After this, either enter your existing Pearson account **username** and **password** to **Sign In** or **Create** a new account. If you have an **Access Code**, enter it on the bottom of the page. *Note: You have a Pearson account if you have ever used a Pearson MyLab & Mastering product, such as MyMathLab, MyITLab, MySpanishLab, MasteringBiology, or MasteringPhysics.*
6. On the next page, fill out the appropriate information fields and click **Next**. If you entered an **Access Code**, you will be brought to a page from which you can access your product. If not, enter your payment information so that you can **Purchase Access**, after which you'll be granted access.
7. You are now registered! Now, it's time to enroll in your course. Click **Log In Now**.
8. Confirm your information and click **Next**.
9. Enter the course ID provided by your instructor and click **Next**.
10. Verify the information about your course and click **Finish**. That's it!

To sign in later:

1. Go to www.myprogramminglab.com.
2. Enter your Pearson account **username** and **password**, and **Sign In**.
