

Once Upon a Time...

... Scheherazade visited Doha for a summer holiday. After a few days, she discovered that the Chefs of the Doha Marriott were among the friendliest and most talented of the region.

Amazed by the atmosphere of the hotel, she decided to share with them the secret ingredient to the perfect Ramadan buffet.

The "Kan ya Makan"* tent invites families and friends to experience unforgettable evenings in traditional Arabian settings.

As dusk falls each evening, come and enjoy a sumptuous buffet featuring all the favourite picks for Ramadan: delicious Middle Eastern specialties, authentic Qatari dishes and a variety of International choices. Our professional Chefs are excited to offer you a mix of live stations serving juicy shawarmas, tender grilled meats, fresh seafood, sushi and other mouth-watering surprises.

For the sweet ending, you may indulge on the decadent spread of traditional and contemporary sweets accompanied by fresh Ramadan beverages.
